Filippo Ioco Studio & Gallery Opening

LINK Our WBA member Filippo Ioco had its Grand Opening Friday February 23, 2018 with a successful turnout of around 200 guests. They were treated to Spanish wine, local horderves and the celebrated Spanish Champaign CAVA. The opening showcased Filippo's bodypainting prints, fine art & published art including a live bodypainted model, Anna Spagna. ([gallery](#))

The studio & gallery located in the heart of the creative hub Poblenou, Barcelona is the first Bodypainting Gallery in Spain & the European Union. Filippo's goal is to establish the studio & gallery as a creative hotspot bring together fine artists and bodypainters to showcase their works and talents. The studio & gallery is also available for photography, tv/film, corporate meetings and workshop rentals.

For more information and upcoming exhibitions, please visit www.iocostudiogallery.com

We from the WBA congratulate Filippo for a wonderful project he put on in Barcelona and we are very looking forward to have many creative projects there together!
